Dear Mr. Blair:

Your letter to Secretary of Veterans Affairs James B. Peake, dated April 18, 2008, has been referred to me for reply. Thank you for the opportunity to review the *Report on Universal Postal Service and the Postal Monopoly*, including monopoly on the delivery of mail and on access to mailboxes. The Office of Information and Technology (OI&T) develops and oversees mail policy for the Department. Records Management Service (RMS), within OI&T, has carefully reviewed the report and does not have any comments or recommended changes to offer on the report.

If you have any further questions or require assistance concerning this matter, please call John Livornese, Director, RMS, at (202) 461-7457.

Sincerely,

Robert T. Howard
